EXPERIENCE

Senior Shopify Theme Developer

Feb 2026 – Present

SwiftNine

Lahore, Pakistan

- Lead the development of custom Shopify themes, Shopify apps, and full-stack eCommerce solutions using Liquid, JavaScript, HTML, CSS, React.js, and modern web technologies.
- Build and integrate scalable Shopify applications using GraphQL, Shopify Admin API, and Storefront API while managing backend operations, custom functionality, and third-party integrations.
- Collaborate with cross-functional teams to deliver high-performance, responsive, and optimized Shopify stores, ensuring code quality, scalability, and an exceptional user experience.

Shopify Developer

Dec 2024 – Sep 2025

Citrok

Lahore, Pakistan

- Engineered responsive front-end interfaces utilizing HTML5 and modern Front-End Development techniques to ensure cross-device compatibility.
- Collaborated with design teams to translate requirements into pixel-perfect Shopify templates, significantly improving overall store presentation.
- Developed and customized Shopify themes using Liquid, JavaScript, HTML, and CSS, implementing custom sections, product pages, and performance optimizations to enhance the overall user experience.

Shopify Developer

May 2024 – Oct 2024

Software Pro

Lahore, Pakistan

- Implemented Front End Engineering Design (FEED) principles to structure scalable and maintainable custom e-commerce components.
- Integrated third-party Shopify applications and customized store functionalities to align with specific merchant workflows.

Shopify Developer

Jan 2023 – Apr 2024

Webbuggs

Lahore, Pakistan

- Utilized modern Design Patterns and Cascading Style Sheets (CSS) to develop, troubleshoot, and resolve UI inconsistencies across Shopify stores.
- Configured custom schema sections and blocks, providing merchants with dynamic and highly flexible content management capabilities.
